Conditions of CMGS Travel Awards

These will be for a maximum of £500 .

They are given to support scientifically valuable travel for members of the society

Any member of the CMGS who has belonged to the society for at least one year may apply but preference will be given to more junior applicants

Recipients will be expected to write a report of their visit for the Probe.

Recipients may also be asked to report back in a wider forum where appropriate.

Please send your completed application form to:
